## *Lift Every Voice And Sing* Black National Anthem

The anthem was first written as a poem by James Weldon Johnson in 1899 and set to music by his brother John in 1900. The anthem was first performed in public by a choir of 500 school children at the Stanton School where James Weldon Johnson was principal. The performance was part of celebration of Abraham Lincoln's birthday and Lincoln's action of freeing the slaves. In 1919, the National Association for the Advancement of Colored People (NAACP) adopted the anthem for its power in voicing the cry for liberation and affirmation of African American people.

Throughout the Civil Rights Movement, the anthem experienced a rebirth, often sung in succession with The Star Spangled Banner at public events and performances where there was a significant Black audience. It is recorded in the Congressional Record.

# *Lift Every Voice And Sing*

By James Weldon Johnson (1871-1938)

Lift every voice and sing  
‘Til earth and heaven ring.  
Ring with the harmonies of Liberty;  
Let our rejoicing rise  
High as the list’ning skies.  
Let it resound loud as the rolling seas;  
Sing a song full of the faith that the dark past has taught us.  
Sing a song full of the hope that the present has brought us.  
Facing the rising sun  
Of our new day begun,  
Let us march on ‘til victory is won.

Stony the road we trod  
Bitter the chast’ning rod  
Felt in the days when hope unborn had died;  
Yet with a steady beat  
Have not our weary feet  
Come to the place for which our fathers sighed.  
We have come over a way that with tears has been watered.  
We have come, treading our path through the blood of the  
slaughtered.  
Out of the gloomy past,  
‘Til now we stand at last  
Where the white gleam of our bright star is cast.

God of our weary years,  
God of our silent tears,  
Thou who has brought us thus far on the way;  
Thou who has by thy might,  
Led us into the light,  
Keep us forever in the path, we pray.  
Lest our feet stray from the places, our God, where we met Thee.  
Lest our hearts drunk with the wine of the world, we forget Thee.  
Shadowed beneath thy hand  
May we forever stand,  
True to our God, true to our native land.

# *Excel*

Excellence is belief in a dream  
For if you dream and believe  
You can achieve.

The dream of the mind's eye  
can be accomplished by  
the spirit of the heart,  
the spirit is strengthened by  
overcoming the pain of  
hard work and sacrifice.

Success is growing with that pain  
time and time again,  
Holding true to the course  
of the dream.

By overcoming obstacles placed  
in your path with  
wisdom, patience, knowledge and  
lessons learned from the past,  
Dreams can become reality  
limited only to the imagination.

# *Regina Mitchell*

*Student Speaker*

Regina Mitchell, a native of Compton California, the oldest of four siblings, will graduate from The University of Nevada Las Vegas on May 12, 2018 with a Bachelor of Arts in Psychology.

She has a passion for research. She serves as a fourth year Research Assistant and Human Resource Manager in the Family Research and Service Lab and the Sports Psychology Lab with her Director and mentor Dr. Donohue.

Regina's plan is to enter the Master of Public Health Program at UNLV followed by a Ph.D. in Public Health as she pursues research in immunogenetics.

As a nontraditional university student Regina understood this journey would be exciting, yet extremely challenging. She found it beneficial to obtain the full college experience by becoming involved in organizations, community services and student support services on campus. She is a UNLV Volunteer with the Student Empowerment and Engagement Through Dialogue (SEED) in the Center for Social Justice. Sigma Alpha Pi National Society of Leadership and Success (NSLS), National Honor Society, Student Conduct and Academic Hearing Board (SCHB) and the National Education for Women's Leadership (NEWL) Cohort Summer 2017. She was selected as NEW Leadership Faculty in Residence in Summer 2018.

Regina is registered with the Disability Resource Center (DRC) and Student Support Services (SSS). She explores avenues to assist with advanced technology and accessible materials for her visual impairment and to provide support with challenges of personal obstacles. She states "without the assistance of DRC and SSS being a competitive student and graduating would have been a more challenging feat."

Prior to attending UNLV, Regina worked as a corporate chef in the hospitality industry. As a classically trained chef, Regina was awarded an International Culinary Fellowship, which afforded her the opportunity to travel and study under the tutelage of Master Chefs in London, Spain, Paris, and Kobe, Japan. Currently, she uses her talents in cooking to provide independence and unique experiences for the visually impaired students, newly married couples and kids.

Regina is passionate about community service. Her philanthropic interests include foundations specializing in treatment and care for critically ill children. Ronald McDonald House Charity, Pigs for Kids, Cystic Fibrosis Foundation and membership with the National Charity League, a mother-daughter volunteer organization which supports local community charities.

She has received numerous achievements, awards and scholarships.

Regina states “UNLV has afforded me exceptional and brilliant instructors, tireless tutors and numerous specialized programs. However, my family is my greatest reward and accomplishment. They have supported my rigorous academic schedule and student life experiences. My biggest fans, allies and support team are my husband of 33 years and teenage daughter. They consistently encouraged my academic success.”

# *Pamela Beal*

*Keynote Speaker*

Mrs. Pamela Beal is the Associate Dean of Clinical Affairs for UNLV School of School of Medicine. She had a key role in launching UNLV School of Medicine clinical faculty practice.

She has lead and managed community several health projects. She has served as Executive Director of the Southern Nevada Immunization and Health Coalition (SNIHC). During her tenure at SNIHC she lead the organization through unprecedented growth in leadership and general membership. She planned and established the first School-Based Health Center in Southwest Louisiana for the Calcasieu Parish School Board System. She was the Director of Community Health for CHRISTUS ST. Patrick Hospital, a part of CHRISTUS Health system which is ranked by size among the top 10 Catholic health systems in the United States. She was responsible for the establishment and oversight of five comprehensive school-based health centers, mobile, rural and WIC clinics. She was also instrumental in successfully advocating for over \$2.6 million in legislative appropriation for child and adolescent health, and for developing a model for Health Care Facilities to embrace school- based health centers within their institutions. She has also held positions with the Southern Nevada Health District and Clark County Social Services.

Ms. Beal has demonstrated success in securing over \$10 million for community health programs including making no cost immunizations and other preventative health services available for southern Nevada's children.

Currently she serves as the Managing Owner of Diversified Consulting, Associate Dean of Clinical Affairs and the Chief Operating Officer for FirstMed Health and Wellness Center

Ms. Beal has degrees in Accounting from Western New Mexico University

and Business from Clarendon College. She has completed two Fellowships, one as a New Mexico Governor's Fellow in Santa Fe, NM and as a Faculty Fellow for the Foundation for the Mid-South in Jackson, Mississippi.

She is the recipient of numerous awards in health care and was recognized as a CDC Childhood Immunization Champion in 2012, 2011 CPBH Health Advocate Award recipient, 2010 Senoras of Excellence, Sunrise Children's Foundation Over the Top Award and she is a recipient of the Merck Vaccination Service Award and Alpha Kappa Alpha Nevada Chapter Health Service Award.

Once a former standout women's basketball star at Western New Mexico University, she was diagnosed with end-stage renal disease in her senior year of college. It ended her hoop dreams, and nearly her life. Thanks to a donation from her husband, a kidney transplant followed in 2000. Five years later an unexpected case of toxicity necessitated a second transplant — this time, the donor was her husband's cousin.

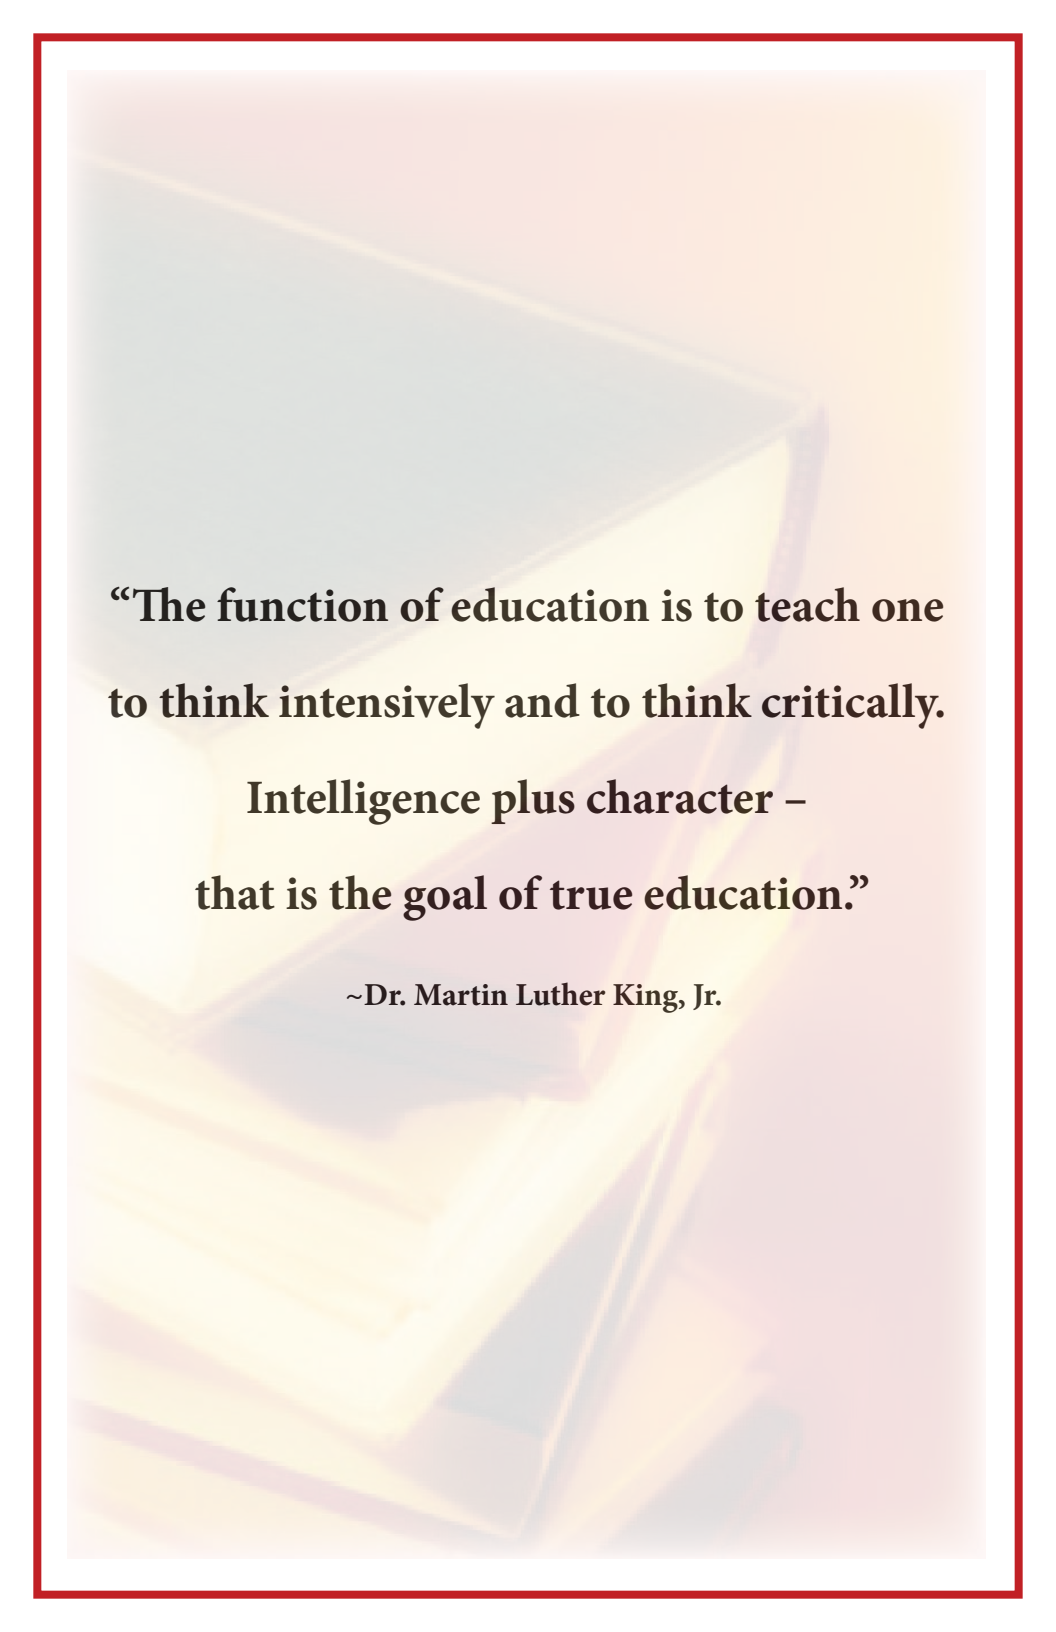

Now, the Louisiana native pays it forward through a career in health care.

Mrs. Beal states "My health success is contributed to the early identification of kidney disease, getting the care I needed and having the resources. I had a lot of options. During both my first and second kidney transplants I received great care. I also had resources and family support, which allowed me to take off work for two to three months. Most people don't have those options, and I do what I can to try and change that."

She specializes in improving health care services to hard-to-reach and high-risk populations. As part of her duties as associate dean of clinical affairs, Beal oversees the UNLV Medicine Ackerman Autism Center and the UNLV School of Medicine's Community Health Worker program – an integral part of all of the UNLV Medicine clinics. The community health worker agency is the first of its kind in the Nevada. The agency consists of community liaisons trained to help at-risks populations access health care by helping people sign up for health insurance, answering their questions related to health insurance and connecting them to a wide range of social services.

She states "We can make a difference, we can literally make a difference every single day. I'm a living witness. I'm a beneficiary. I have a high quality of life and I'm very productive."

"I even still play a little basketball."

## *Dr. Thomas E. Wilson*

Born in 1927, Dr. Thomas E. Wilson earned a Bachelor's degree in Education in 1950 and a Master's degree in Education in 1961, both from Arizona State University. He served as a teacher and assistant principal at Mary Bethune School, as well as an education specialist for Operation LEAP (Leadership and Education for the Advancement of Phoenix) in Phoenix, Arizona.

Dr. Wilson was the first African-American professor hired in the College of Education at the University of Nevada, Las Vegas. He came to Las Vegas in 1969 after earning a doctorate in education at Arizona State University. His area of specialization was Multicultural Education and Reading. Throughout his career, he was recognized as a person dedicated to teaching, community service, and advising students.

The contributions Dr. Wilson made to the College of Education and to the community, along with those of his colleagues in the developing years of the College of Education, now allow us to look to the future with optimism and high aspirations.

Dr. Wilson is credited with establishing the first MULTICULTURAL EDUCATION course in the College of Education. His weekly educational columns in the Las Vegas Voice on Educating the Black Child has inspired many parents and community members. The College of Education continues to practice and expand the academic concepts that Dr. Wilson asserted through dedication toward academic excellence.

His years of service and his special contributions to MULTICULTURAL EDUCATION AND READING at the College of Education earned him many accolades and has led to the creation of the Thomas Wilson Community Service Award presented by the Alliance of Professionals of African Heritage.

The UNLV Alliance of Professionals of African Heritage honor the legacy of Dr. Thomas E. Wilson and pledge ourselves to a renewed energy towards excellence in the future.

# *Professor Roosevelt Fitzgerald*

Roosevelt Fitzgerald served the University of Nevada, Las Vegas and the Las Vegas community as Chair of the Anthropology Department and Director of the Ethnic Studies Program at UNLV, and a lecturer. Professor Fitzgerald joined UNLV's Anthropology Department in 1971, and retired in May of 1996. For all those who knew and loved him, he will always be remembered as "Fitz".

Born April 14, 1941, in Natchez, Mississippi, Professor Fitzgerald grew up attending Catholic school in the Jim Crow era of the South. He received his Bachelor's degree from Jackson State University in 1963, and his Master's degree from Notre Dame University in 1968.

Professor Fitzgerald loved teaching African-American history and took an interest in the roles African-Americans played in Nevada. He became well-known as a researcher and writer of the history of the black experience in Las Vegas. In addition to his academic writing, he wrote a column on Black History for the Sentinel-Voice newspaper in Las Vegas.

After an extended illness, Professor Fitzgerald died in October of 1996. He left a living legacy at UNLV and in Las Vegas through his vigorous promotion of excellence in academic pursuits.

The UNLV Alliance of Professionals of African Heritage honor Professor Roosevelt Fitzgerald's promotion of academic excellence with the Roosevelt Fitzgerald Outstanding Student Award.

The UNLV African American Students Graduation Celebration Ceremony is an annual event. It is an opportunity for students of African heritage to be celebrated for their academic achievements during the school year. Your contribution will help promote campus diversity, improve graduation and retention rates of minority students, and provide scholarship for African American and minority students. Help turn our students of today into the leaders of tomorrow!

Any donation amount is welcomed and encouraged, however if you would like to give towards one of our donor levels, we would greatly appreciate it!
